Comments

Sandy Island is a rare collection of 18 waterfront villas nestled within a tropical oasis of privacy and calm.

Designed by world celebrated architect Claudio Silvestrin in concert with multi-award winning landscape designer Jamie Durie, these exclusive villas are embedded in a lush rainforest setting like precious jewels to be discovered in the splendour of nature.

5 bedroom villas with en-suite bathrooms

Double volume living area with floor to ceiling glass panels facing the waterfront.

Fully equipped gourmet kitchen.

Master bathroom featuring the signature Boffi Irumi long bath and double washbasins designed by Claudio Silvestrin.

Passenger lift connecting to all floors.

Each villas

- waterfront garden with unique plant palette
- private swimming pool surround by lush greenery
- private berth for 12m boat.

Dear All,

Do call us for a viewing for all units in the project vicinity.

Looking forward to hear from you soon.
thank you.

Thank you for taking interest in this property. We look forward to your queries and we will do our best to reply as soon as possible. Call us for any property in mind for sale, purchases and even leases. We shall fulfil all of your real estate needs.

Yours sincerely,
Celia Nunes
