### Comments

Newly Listed

A beautiful and spacious 3bedroom unit in Parvis just listed for sale,

So much has been said and felt by the tenants of Parvis , but none will feel the beauty of this development from the carparks to the private lift lobby to the wonderfully crafted layouts that are so popular with the expats who loved the outdoor balconies.

Owners kept this renovated unit as well as they could and buyers looking to buy have to see this unit to know the difference between our facing and some of the other units listed in the market!

\*\*\*\*\* The Unit \*\*\*\*\*

3 bedrooms 1701sqft

Spacious balcony that stretches from the living hall to the master bedroom

Renovated tastefully with foreign owners taking good care of the unit

No noon sun with great views from a high point - you won't find this easily in Singapore

Perched on top on the Holland hill with totally unblocked greenery and city view

Luxurious city night view

Quaint and quiet

\*\*\*\*\*+

Serious owner looking to restructure portfolio and relocating

Buyers will be impressed by the development

Make this your proud home!

For an exclusive private viewing ,
