- Cooking allowed
- Shared Utility Bills
- SMART TV

What is a SMART TV?

A smart TV is a television set or set-top box with integrated Internet and is an example of technological convergence between computers and television sets and set-top boxes.

Besides the traditional functions of television sets and set-top boxes provided through traditional broadcasting media, these devices can also provide Internet TV, online interactive media, over-the-top content, as well as on-demand streaming media, and home networking access.
